Join Lee Carroll **SATURDAY** for an intensive five hour lecture and live channelling! Author of 15 books in 24 languages, Lee's 23-year experience in channelling KRYON has brought international recognition to his work. Having presented seven times at the United Nations in New York, as well as in many countries overseas, Lee attracts audiences in the thousands.

Join Lee Carroll and Dr. Amber Wolf on **SUNDAY** for a special interactive meeting entitled, "Practice Quantum." This is a workshop filled with new practical thinking around spiritual communication. Are we so biased in 3D that we are missing the "signals" from Spirit? Fun, breakout groups, new information, and KRYON channelling!
