“The Journey Home” REVEALED

Join Lee Carroll for an inspirational, informal study of Lee’s 5th Book, a fascinating parable about Michael Thomas, a seemingly ordinary man who represents the American icon of normalcy – and discontent.

After an accident that leaves him near death, Michael’s decision to go “home” takes him on a series of adventures and trials in an astounding land filled with angelic beings, wise teachers, and sinister entities.

Rare Author’s Insights

Lee shares personal, behind the scenes stories about this profound adventure that’s common to most humans on a spiritual quest. Revealing deep hidden truths, he exposes the full meaning of the metaphors in this hugely popular Kryon novel.

LEE CARROLL has channeled Kryon for 22 years worldwide and is the author of the Kryon Series of 15 books in 24 languages (so far). Well known in Metaphysics, the Kryon channeled books have made the top seller’s list of most New Age distributors within months of release. One of his books, *The Indigo Children*, introduced the term “Indigo Children” to the world.

Having presented seven times at the United Nations in New York, as well as in 30 different countries overseas, Lee attracts audiences in the thousands. Lee’s fascinating, entertaining lectures bring a message of love, empowerment and unity for Humanity. Mixed with scientific validations, humor and personal stories, his lectures are favorites within the New Age community.
